Dear Minister Lebouthillier,

SUBJECT: The CRA Gifting Tax Shelter (GTS) Policy - Our letter of November 10, 2015

We are writing to follow up on our letter of November 10, 2015, a copy of which is enclosed. It has been two months and we have had no response from you whatsoever. Could you please provide us with your response as soon as possible.

It appears that CRA may have abandoned their GTS Policy, however, they seem to be treating taxpayers very inconsistently. We are receiving a variety of differing reports from our Members. We would greatly appreciate the courtesy of a response to our inquiry. Has the CRA abandoned the GTS policy as the Courts have dictated?

Thank you in advance for your prompt response.

Yours truly,

J. Jaye Torley
