

“URGENT TAXPAYER ALERT”

CRA ASSESSMENTS OF 2012 TAXATION YEAR

The CRA is beginning to assess the 2012 taxation year that has been withheld for the last 2-3 years. They are disallowing our donation tax credits claimed for our participation in the MLF program.

It is now **IMPERATIVE** that you have a Notice of Objection filed to these **ASSESSMENTS** and that they are filed within **90 DAYS** from the date of assessment.

As a member of Profitable Giving Canada you can access a template of a Notice of Objection from our website. You can access the T400a – Notice of Objection form as well as the **FACTS AND REASONS** and prepare your Notice of Objection and send it REGISTERED MAIL to:

Instructions in completing the T400a: complete the top portion of the T400a providing,

1. Your name, address, S.I.N.
2. Address to Chief of Appeals (see addresses above)
3. Enter the date of your Assessment Notice from the CRA
4. Sign and date at the bottom of the T400a
5. Attach a copy of the **FACTS AND REASONS** provided
6. Ensure to retain a copy for your records
7. Send to the appropriate address as indicated above via REGISTERED MAIL and retain a copy of that receipt.

This is **ABSOLUTELY NECESSARY** in order for your donation claim to be in dispute so that you can be part of any Tax Court Case going forward when the validity of the program itself is argued.

This absolutely has to be a top priority; **your Notice of Objection has to be filed with 90 days from the date of your ASSESSMENT NOTICE.**

Additional Information:

We at **PROFITABLE GIVING CANADA** are initiating an action to ultimately file an Appeal to Tax Court in order to argue the validity of all 4 programs: COIP, RLG, MLF AND PGI. To be part of this action you **MUST**:

1. Have a **VALID** Notice of Objection filed
2. Have **SETTLED** your debt through Justice Trading Ltd.
3. Have committed to a minimum of 5 years membership in Profitable Giving Canada (a total cost of \$500.00 minimum)
4. Signed on with Profitable Giving Canada for the legal action to be part of the class.
5. These are the monies to be used for legal expenses in arguing the case to Tax Court.

I am available to answer any questions in regard to the issues outlined herein.

Sincerely,

Robert G. Allen
